

The Trusted Voice for Senior Living and Care...

Membership That Matters For Home & Community-based Services (HCBS) Members

LeadingAge Georgia is an affiliate partner of LeadingAge (formerly American Association of Homes and Services for the Aging), which represents over 5,400 nonprofit facilities, serving over one million older adults in the United States at its headquarters in Washington, D.C. LeadingAge Georgia and LeadingAge national involve their members in the Associations' organizational structure to develop educational programming, provide membership services, and to represent and influence public policy.

Join our membership of nearly 160 housing and service providers, who proudly embrace the continuum of aging services by serving over 124,500 residents and clients in Georgia. Be counted among organizations committed to Quality First initiatives adopted by LeadingAge Georgia.

Be Informed

- **Benefit from Networking Opportunities** locally, statewide and nationwide with Home & Community-based Services Provider professionals to help develop and influence quality improvement initiatives. Become a part of the HCBS Forum. This is a group specific for Directors/CEO's that meet quarterly to network with Georgia's most successful Home and Community-based Service (HCBS) providers and colleagues to pool and share in pertinent dialogue on critical issues facing HCBSs. Participate on any committees of interest (membership, education/professional development, public policy, communications, etc.). LeadingAge Georgia values the representation from this group on committees.
- Read the latest adult day Services and community based services news in the monthly *Coffey Break* Newsletter, featuring timely information regarding all levels in the Continuum of aging services.
- **Staff Training and Professional Development:** Through the Georgia Institute on Aging, members are able to participate in a variety of training opportunities tailored specifically to meet your everyday operational needs. Participate in networking opportunities via Listservs that provide a forum for peer consult by specific professional groups.
- Access timely information on topics via free LeadingAge Georgia white papers, regulations and policies.
- **The Annual Conference & Trade Exposition:** Annually, LeadingAge Georgia and the Georgia Institute on Aging hosts a Conference on Aging by bringing it's members nationally recognized and local experts on Aging Services topics and professional development. Expect the latest and most innovative ways to be effective and provide quality care to the clients you serve in your center(s). Join us during the next annual conference on aging, which will be held March 27-29, 2017 in collaboration with LeadingAge SC at Hilton Head Marriott Resort & Spa in Hilton Head, SC.

Be Included

- **HCBS Providers Inclusion** will be addressed in all communications (monthly e-newsletter, etc.), network/share information with peers in the field throughout the continuum of aging services, etc.
- **Participate in educational events at member rates** (always affordable). Benefit from national speakers on issues regarding aging services.

Be Heard

- **Representation:** LeadingAge Georgia is at the forefront of legislative and policy development issues affecting Home and Community-based Service Providers. Georgia leadership will ensure that Georgia HCBS Providers are informed and represented legislatively through our lobbying efforts during the legislative season.
- **Networking and Communications:** As a LeadingAge Georgia/LeadingAge Home & Community-based Services member, you belong to a network of Georgia's most successful Administrators and colleagues. Share in the Quarterly Networking & Educational sessions as we share in pertinent dialogue on critical issues facing aging services providers in our state.

LeadingAge Georgia (formerly Aging Services of Georgia) is the statewide association that represents the key not-for-profit and other mission-driven organizations dedicated to providing quality housing, health care, and community-based services that people need, when they need them, in the places they call home.
